Dear Parent/Guardian,

Thank you for allowing your child to come and enjoy a day at our facility. We would like to bring up a few points to make your child's visit as enjoyable as possible

- 1. Make sure your children are dressed appropriate for outdoor winter activities (ex: warm clothes, mitts, toques, neck warmer, and long johns
2. You should make sure your child has access to proper nourishment for the day
3. We have at times had problems with theft. We therefore recommend that all valuables be left at home or they should just be secured in lockers...
4. We need some information about your child to be able to properly fit their skis or snowboards. Specifically we need to know your child's height, weight, and shoe size. Please make sure your child brings the bottom portion of the Lesson Information Form with them on their ski day.

I understand that the binding system cannot guarantee the user's safety. In downhill skiing, the binding system will not release at all time or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release.

I understand that the sports of skiing, snowboarding,, and other sports (collectively "RECREATIONAL SNOW SPORTS") involve inherent and other risks of INJURY and DEATH. I voluntarily agree to expressly assume all risks of injury or death that may result from these RECREATIONAL SNOW SPORTS, or which relate to the use of this equipment.

I understand that a helmet designed for RECREATIONAL SNOW SPORTS use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impacts, even when a helmet is worn.

I understand that once my child is assigned a lesson they cannot change it or their equipment (ex: changing from snowboarding to skiing).

IMPORTANT: DO NOT CUT THIS FORM. KEEP ORIGINAL PAPER SIZE INTACT.

I give my child permission to [] SKI or [] SNOWBOARD at your facilities. Please check one.
